

SIMPLY APPLICATION FOR FRENCH OVERLAYS OR TIPS

SIMPLY Products are best used for Tips, Overlays and Fill.

Preparation

1. Sanitize yours and your client's hands.
2. Gently push back cuticles.
3. Lightly buff nails, removing shine.
4. Dust off well with dust brush.
5. Wipe nails with Prep & Clean, using a lint free pad, to remove oils and dust and to disinfect. Allow nails to completely dry.
6. If you are applying tips, you would do so now.

Application

- ¹Apply a thin even layer of Connector or SIMPLY Clear over the prepared natural nail and/or tip.
- Cure 2 minutes in light unit. Repeat on other hand.
- DO NOT REMOVE the dispersion film, it ensures proper adhesion to the following coat.
- If you have not used a french white tip choose SIMPLY White to create your French manicure look. Using a clean, dry brush, keep the brush flat to the natural nails smile line; create a crisp smile line. Cure for 2 minutes. Repeat on other hand.
- Apply a thicker coat of SIMPLY clear or blush over the entire nail; stay clear of cuticle and sidewalls. If your application is a little slow, cure each finger for a quick 10 seconds to hold product in place.
- Cure 2 minutes in light unit. Repeat on other hand.
- Wipe off dispersion film with Prep & Clean.
- File, shape and buff smooth to perfect nails
- Apply SIMPLY Super Shine and cure 2 minutes.
- Wipe off dispersion film with Prep & Clean to finish complete nail application.

The nails now have a high gloss finish and your set is complete!
